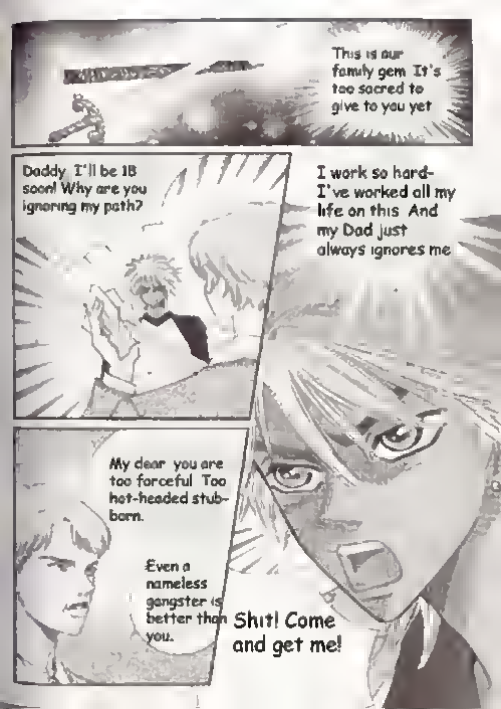
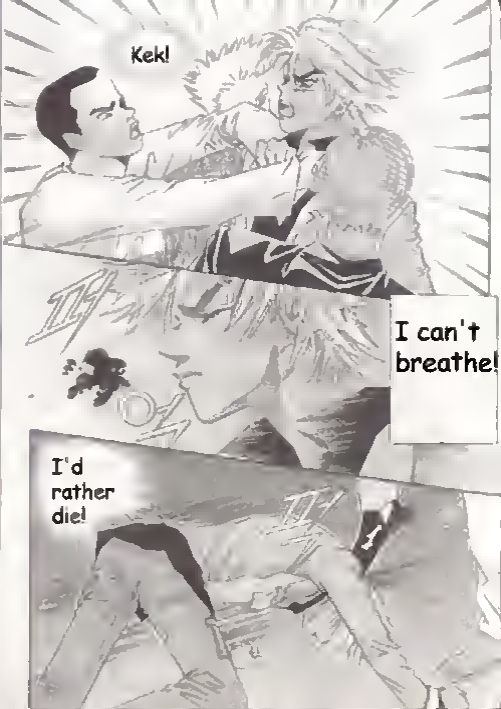
Come!
Yes! Come and get me!
What the hell?
Bastard!
Want us to kill you?
Baby, you're not priveledged enough



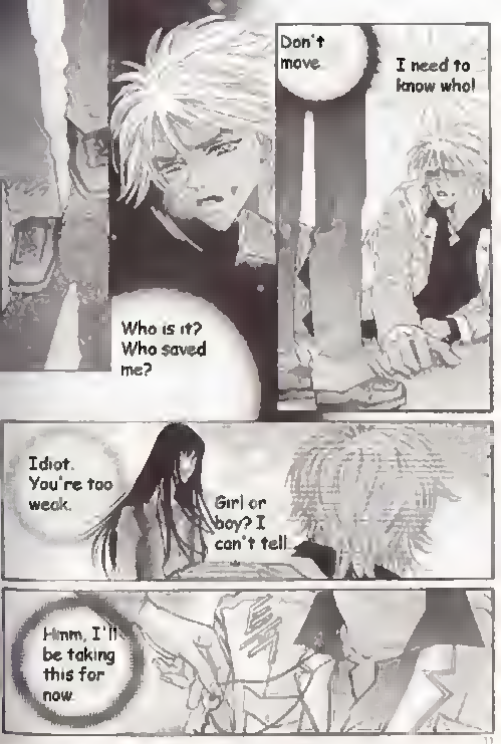
This is our family gem It's too sacred to give to you yet
Daddy I'll be 18 soon! Why are you ignoring my path?
I work so hard- I've worked all my life on this And my Dad just always ignores me
My dear you are too forceful Too hot-headed stubborn.
Even a nameless gangster is better than you.
Shit! Come and get me!



Kek!
I can't breathe!
I'd rather die!

Yes, kick me more!
Ka-
KICK
Bam!

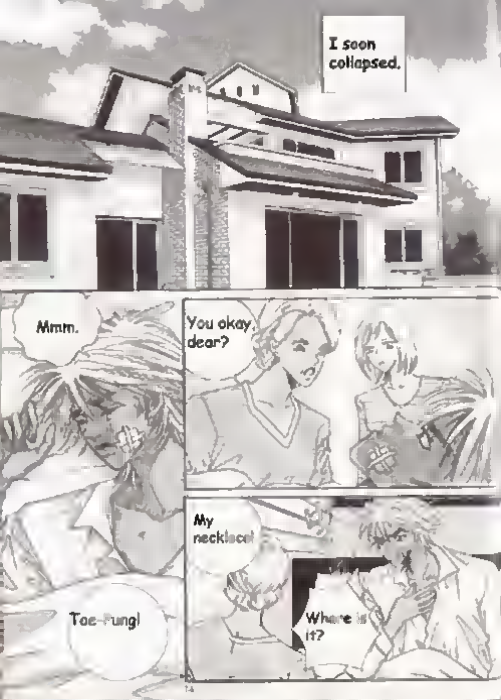
Hmmph, you're some coward
Shit!
Gah! Ghost!
Her voice sounds weird!
Hmm, they ran away. How interesting



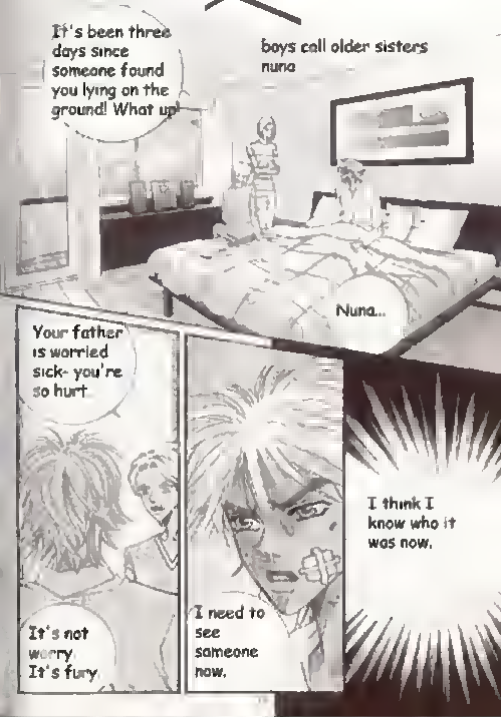
Who is it? Who saved me?
Don't move.
I need to know who!
Idiot. You're too weak.
Girl or boy? I can't tell.
Hmm, I'll be taking this for now.

That's a precious family necklace!
I know, so come look for it soon!
Absorbing moonlight. Pale skin, black hair
Who are you?

Call me
Kain Han,
for now



I soon collapsed.
Mmm.
You okay, dear?
My necklace!
Where is it?
Tae-Pung!



It's been three days since someone found you lying on the ground! What up!
boys call older sisters nuna
Nuna...
Your father is worried sick- you're so hurt
It's not worry. It's fury.
I need to see someone now.
I think I know who it was now.

He'll tell you he wants to break up today
No way! Just yesterday we laughed at the park, had fun!
Yes way.
He thought of breaking up with you yesterday, too.
What a liar! I'm never letting you predict my future again!
Money, please

You just said bad things, what do you mean money?
You can go if you want to be bothered every night by my Granny
What...
Ugh!
You're just a fraud!
Creak

Tae-Pung! I thought you weren't feeling well!
Yeah, why are you here?
Why is there a scar on your pretty face?

Give me my necklace before I kill you!
Let go and tell me what's wrong!
You stupid bitch!

SL
AP
Taepung, you crazy?

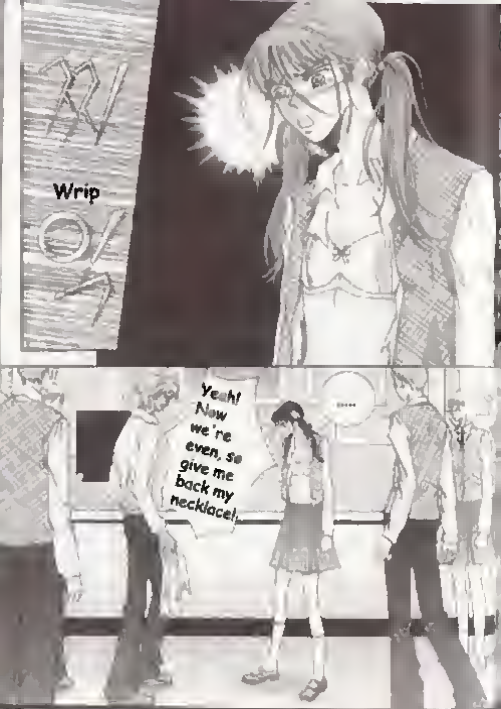
What you took means more to me than my own life!
And you took it just like that!
Crawl crawl
I don't know what you're talking about, but I know this-

You can't just suck it up. You have to win it.
Shut up and give me my necklace!
SHUT THE HELL UP!

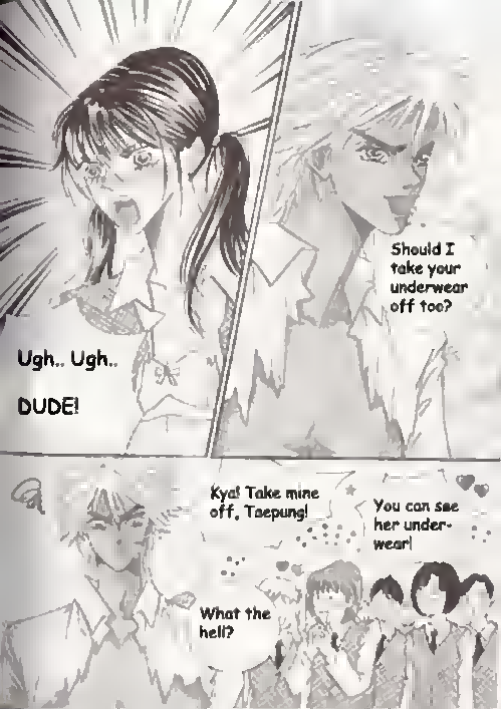
What's going on?
Someone got in a fight!
It's that weirdo Taepung again!
What a connection.
The girl too- she does things for the win.
Kya! In it for the win!
Taepung, go easy on her!

What's wrong?
It's like watching a movie..
It's Taepung. He's crazy
What?
That Taepung...

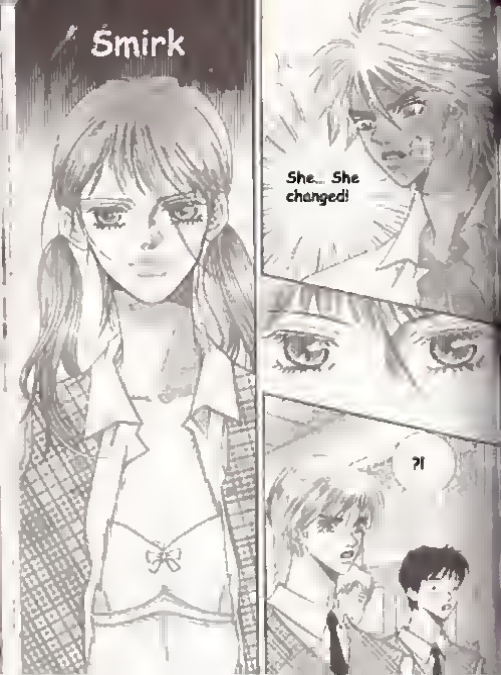
Let go!
No way!
WRIP
Kya! Taepung!
Oops.
Kya!
PERVERT!



Wrip
Yeah! Now we're even, so give me back my necklace!
....



Should I take your underwear off too?
Ugh.. Ugh..
DUDE!
Kya! Take mine off, Taepung!
You can see her underwear!
What the hell?



Smirk
She... She changed!
?!

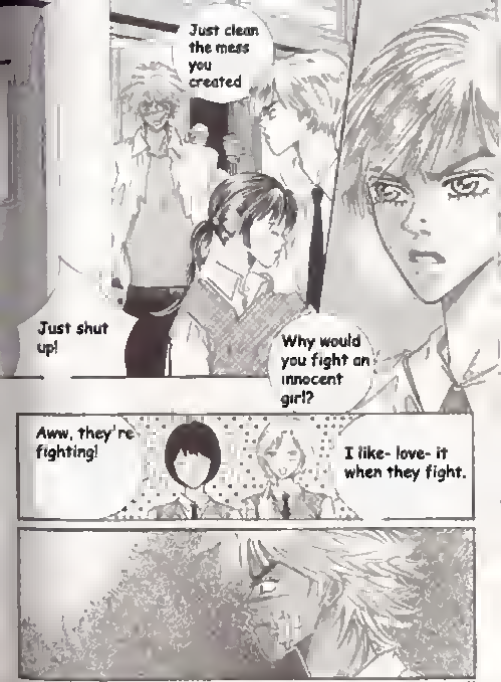
What up?
She..
The chick's kinda brave!
Her aura feels unnatural.
Baby, I told you you weren't ready yet!
this voice...

GRAB
What's wrong with you, little devil!
?!
?!

It's gone..
Huh?
The weird aura.
It's nothing.
I don't think the girl is waking up.
Stop faking it and get the heil up!

Hey!
Taepung Kang, what are you doing?
Hey!
Drape

I'm going to take her to the nurse.
Weirdo
Great manners!
So kind!
Hold on, I'm taking her!
He's so stuckup!



Just clean the mess you created
Just shut up!
Why would you fight an innocent girl?
Aww, they're fighting!
I like- love- it when they fight.

I'm going to take care of her!
Let go, you'll drop her!
No, you let go!
BUMP
